

NEW SANUS Component Racks

MODELS CFR1620, CFR1615

Skeleton Racks to the rescue

Introducing Stackable Skeleton Racks from SANUS. This self-aligning structure requires only four bolts and can be assembled without special tools in less than 10 minutes. Choose from five possible height combinations from 15U to 40U for added customization. Compatible with the EcoSystem™ and small parts panel, Stackable Racks are the best way to increase efficiency to your system. Optional plastic feet are included for easy sliding and can support up to 600 lbs of gear. Plus, choose from a caster kit for added versatility or swivel kit for increased accessibility.
