

NEW SANUS iPad® Mount

MODEL VTM1

On-the-go protection for your iPad

Keep your iPad safe, secure and sitting in perfect view with the VTM1 iPad Mount from SANUS. With exclusive MagFit™ technology for fast and secure attachment, this transparent case is designed to work with the Apple® Smart Cover® to ensure maximum iPad protection and versatility. Use as a stand on flat surfaces, mount underneath a cabinet or to wood, concrete and drywall. Comprised of forged aluminum for added strength and durability, the VTM1 includes a pivoting connector that provides 360 degrees of rotation for the perfect view every time. Plus, thanks to the quick release MagFit™ technology along with grippable texture, the VTM1 is perfect for on-the-go travel in snap.

NEW SANUS iPad® Mount

MODEL VTM6, VTM8

Multiple location iPad mounting

Introducing an innovative way to mount your iPad: the all-new VTM6 iPad mount from SANUS. With MagFit™ technology for quick and easy attachment and a transparent case designed to work with the Apple® Smart Cover®, the VTM6 includes two mount systems for convenient use in multiple locations. A pivoting connector provides fluid movement and 360 degrees of rotation while the stylish mount system places your device flush to the wall and blends in with any décor. And if you like what the VTM6 has to offer, but do not need the case, then the VTM8 is the perfect solution.
